

Smart energy for a smarter world.

Electricity is everywhere in your daily life. Take baby Joey. When he looks through the window, it's a very lively world he sees. A world where he will feel just as safe as in his daddy's arms. Where, thanks to Schneider Electric, the world leader in the management of electricity and automation, technology becomes so effective that you forget it's even there. Together with its brands: Square D® — the best known name in NEMA type electrical distribution and control products, systems and services — Telemecanique® — one of the world's leading brands of automation and control products, systems and solutions — and TAC® — a leading provider of building automation solutions — Schneider Electric converts electricity into smart energy. Creating processes and solutions today that are simple, efficient and environmentally friendly. So tomorrow's world is a better place to be. Welcome to a new electric world.

1

This is where we control the building's energy usage.

2

This is where we automate the tunnel ventilation network.

5

This is Joey, who's happy to know he's never alone.

3

This is where we distribute power for the buildings.

4

This is where we safely provide electricity for Joey's baby monitor.
